Dear Friends,

Re: Refugee Projects 1985 and 1987.

As the year is drawing to a close it is time to compile reports on the work done and make plans for the future.

Please help us do this by providing!

1. For 1985 (by end of January, 1986)

- Narrative report on the general situation and tendencies
- Description of refugee projects implemented in 1985, stating the nationality and number of families/individuals attended by your office
- Finance statement showing your total income and expenditure for the refugee programme

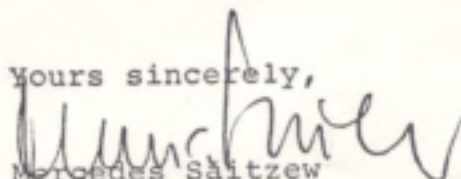

2. For 1987 (by end of March, 1986)

- Background information-situation and tendencies
- Description of refugee programmes planned for 1987, stating the nationality and appr. number of families and individuals to be assisted
- Budget plan showing your total estimated income/expenses and stating the amount requested from W.C.C.

As you are no doubt aware WCC projects have to be submitted to Funding Agencies a year in advance. Thus the requests for 1986 were submitted early in 1985 and I shall write again in January, 1986 to share preliminary information on contributions from WCC in 1986.

Thank you for your cooperation,

Yours sincerely,

Mercedes Saitzew
