Dear Friends,

We think of you often and wonder if you have given any more thought to having a consultation in the region on refugee issues. We have discussed the possibility of such a consultation, but would very much like to hear from you about the themes and directions such a consultation should address.

I hope your work is going well, I remember our meeting in Buenos Aires with great fondness and look forward to hearing from you soon.

With best wishes for the New Year,

Sincerely,

Elizabeth G. Ferris
