Dear Dr Knoblauch,

Re: Resettlement Consultation - Miami, Florida

Our long-standing plan to hold a refugee resettlement consultation is taking shape; Church World Service New York kindly agreed to act as host and suitable premises have been secured for the period 15 through 20 September, 1986 in Miami, Florida.

As a formal letter of invitation with Agenda and other useful information will reach you later, this is just an advance notice to ask you to reserve above dates and let us know at your earliest convenience whether you will be able to attend, or propose another delegate. A working knowledge of English is desirable.

The Consultation will deal with a number of questions related to refugees and cover all three major options:

- voluntary repatriation
- integration in the country of asylum
- resettlement in 3rd countries

You will in the next days receive a 1-2 page Questionnaire on above with the request to complete and return for inclusion in a set of brief country profiles which will provide basic background information.

Looking forward to hearing from you.

Yours sincerely,

Mercedes Shitzew  
Resettlement Officer
