Mr. Emilio N. Monti,
Rivada via 4044
Iglesia Metodista Argentina
BUENOS AIRES
Argentina

Dear Mr. Monti,

Reference is made to Rev. Cobdra's recent visit to our office and to your joint report (Section Scholarships) on the work and plans of the Refugee Committee in Argentina.

As it now appears that the approval of scholarships by the Ebert Foundation will take longer than expected, the Chile Task Force requested our department to place at your disposal an interim grant of US \$5,000.--. This sum was today transferred to your account: 3075 44 94 at Banco De Londres y America Del Sud and it should enable all last-term students to continue their studies until the grants of the Ebert Foundation become available.

As Mr. Harper will be visiting Argentina in the near future he kindly promised to bring back a short statement of implementation.

With best wishes.

Yours sincerely,
