Dear Pastor Ihle,

Re.: Transit Centre and Individual Integration  
Projects - Argentina

As agreed during your visit to Geneva we have transferred to the account of the Iglesia Evangelica Metodista the amount of US-\$ 35.000 for the realization of a Centre for refugees in transit and of a number of small integration projects for families and individuals for whom there are no possibilities for resettlement outside Argentina.

We appreciate your efforts to obtain contributions from UNHCR and other sources for these projects, and we realize only too well the urgency of moving non-emigratable refugees from hostels to homes of their own and their establishment in trades and professions. The increase of the cost of these projects is of course alarming but still cheaper in the long run than indefinite payment of day to day care and maintenance. And more satisfactory too.

Yours sincerely,  
  
Mercedes Saitzew
