Dear Friends,

Re: Resettlement Consultation

In February 1988, we organized a small Consultation on Resettlement to consider some of the concrete, operational issues related to resettlement. Attached please find a copy of the Report of that Consultation.

We are sharing this Report with all of our Resettlement Partners in the hope that it will further strengthen our ecumenical resettlement ministry. Although it is not confidential, we do ask that you use care in excerpting portions of it for publication. The issues are complex and might be misunderstood if taken out of the whole resettlement context.

We are also enclosing for your information the following documents relating to the Consultation:

- Review of European Field Office Operation - A Report by William Sage
- Introduction to the Consultation by Mr Melaku Kifle
- List of Participants

We hope that you will find this Report useful and look forward to working with you to strengthen the resettlement ministry.

With all good wishes,

Yours sincerely,

Elizabeth Ferris
