Dear Friends,

We are writing to ask for your help in two areas:

1. Photographs of your work. These will be used in general interpretation of your programmes, in illustrating a new Refugee Service pamphlet, and in preparing a photographic exhibit on Refugee Service for the Cyprus Consultation in November on Inter-Church Aid, Refugee and World Service. Black and white photos would be most useful (and negatives even more helpful) but colour photographs or slides can also be used. Please attach a note identifying the content of the photograph (to serve as a caption) and the photographer.
2. Worship Materials. We have been asked to compile worship resources which focus on refugees and exiles. This would include sermons, responsive readings, prayers, songs etc. and would serve as a resource for many churches wishing to include refugee concerns in their regular or special worship services. Materials can be used in English, French, Spanish or German.

Thank you very much for your cooperation in these areas. We hope to make the Worship Resources available in early September, so we would appreciate your sending us both photographs and worship materials soon.

Sincerely yours,

Elizabeth G. Ferris
