For statistical purposes we are herewith asking you to let us have by the 15th of each month as per enclosed sample, a Nominal Roll of refugees resettled outside Argentina with the assistance of your office. As movements from your country are effected on both loans and grants indicate how the transportation was financed (loan or grant, source, amount); in cases involving travel loans, complete a Promise to Repay form (sample) and distribute as follows :

1 copy to refugee

1 copy to WCC partner in the country of immigration (exact name and address to be entered under item 9 of PTR.)

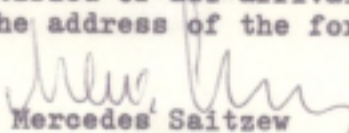

1 copy to WCC Geneva

1 copy for your files

Against the names of refugees who paid their fares, enter "self-payer". To avoid duplications check with the Catholic Agency before compiling Nominal Roll.

IMPORTANT

Whatever the travel arrangements, always ensure that the WCC partner in the country of immigration is notified of all arrivals, and that all departing refugees are given the address of the former.
