Dear Elizabeth:

A. Thank you for the E.R.N.N.: they associate us with the work other people are making with refugees all over the world. We give the Spanish edition to some of our Chilean refugees: they really like it, because, for the first time, they receive information of the work with refugees through (and from) the WCC. Sporadically they receive printed matters from UNHCR.

I have some questions about the issue N° 9 of the E.R.N.N.

1. What kind of meeting will be held in Miami in September?. We are now focusing the possibility of bringing Salvadoreans to Argentina. Am I right, that in Miami you will talk f.e. about this matters?

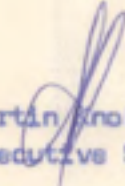

2. Page 4. Can you send us a copy of the report of the ICM?

B. Attached you will find the reformulation of the so called CAREF-project: objectives, tasks, methodology, budget. We think it will be helpful for you to understand us. And it will be helpful for us if we can hear some comments from you.

C. In January we wrote about the possibility of a regional meeting. We are beginning with the plan right now and will keep you informed.

D. In the next days we will send you some photographs from our file. But, we will be thankful if you can send us material for worship in Spanish. Attached we send you copies of the material we have.

God Bless you in your work.
