Dear *Mr. Ianni,*

In July the annual meeting of the CICARWS Commission will take place. At that time we will have to present an up-to-date report on the refugee situation in the world and on the refugee programmes carried out by the churches and ecumenical agencies. We will also have to submit our financial needs for 1979. In order to provide the Commission with the relevant information we would need from you by June 10th at the latest a brief report on the present refugee situation in your country/area and on your refugee activities with, in addition, an outline of your plans and financial requirements for 1979. We know that it is not easy to make such a forecast for 1979 because of the unpredictability where refugee needs are concerned, but we must ask you to help us with such an assessment even though we realize how tentative it is.

We will be looking forward to hearing from you and are sending you in the meantime our very best wishes and kind regards,

Sincerely,

*Rund van Heegevent*

*P.S. I will soon be writing to you about the 1978 budget - I am very anxious to learn what effect the Amnesty in Chile has and will have on the refugee situation in your country - I hope all is well. Regards to the CAREF team.*
