Re: EXCHANGE OF INFORMATION

As the global refugee situation worsens, the workload of every refugee-serving agency increases as well. It therefore becomes more important than ever for refugee workers to share among themselves information about the various issues they deal with or ought to be conversant in.

May we accordingly make two requests of you:

1. Using the enclosed form, please give us the names and addresses of persons known to you who should be on the CICARWS Refugee Service mailing list.
2. If you have not already done so, add the CICARWS Refugee Service to your own mailing list for reports on refugee situations, staff travel, and other items of mutual interest.

Thank you for your cooperation.
