Dear Ms. Alicia Peiro

Re: International Consultation on Refugee Women

As we begin to finalize our arrangements for the International Consultation on Refugee Women, we would like to remind you that your paper must be in to us by October 1.

We are hoping that the plenary sessions will be the basis of useful and provocative discussions in the workshops. For this reason it is imperative that the October 1 deadline be met so that we can circulate your paper in advance to all the participants, and they in turn can be well prepared for the event.

Please let me know if I can be of any assistance to you.

Looking forward to meeting you at the Consultation.

Sincerely,

Ninette Kelley
